## Don't Make a Mistake!

The oldest, best and cheapest furniture store in the city was established by the veteran furniture dealer and undertaker, Mr. C. E. Williams, in 1859, and is now conducted by him and his oldest son Ed. A. Williams at 611 King St. We wish to notify our patrons and the public generally that we have no connection whatever with any other furniture and undertaking establishment in Honolulu.

## THERE IS NO MISTAKE.

When people walk into the CITY FURNITURE STORE at the corner of Fort and Beretania streets and ask for Mr. H. H. Williams, they make no mistake.

They know where they can get the best value for their money and a good variety to select from.

C. E. WILLIAMS having sold his ENTIRE INTEREST in the Furniture and Undertaking Business to Mrs. Ed. A. Williams on the 17th day of June, A. D. 1895, and having left the country, his second son, HENRY H. WILLIAMS, now becomes the oldest experienced FURNITURE DEALER AND UNDERTAKER in Honolulu.

MR. H. H. WILLIAMS entered the employ of his father about twenty-five years ago, since which time he has made a continuous study of the Furniture and Undertaking Business. He graduated from Dr. S. Rodgers' Perfect Embalming School in 1890, since which time he has made a success of that branch of the business.

He does not advertise the oldest nor largest stock of Furniture in town, nor does he covet all the trade in town.

He only asks for his share, and from appearances he is getting it, consequently he is satisfied.

He receives new goods every month and fills order promptly.

## WELL! WELL!! WELL!!!

## Just Look at the Mistakes.

When people order by telephone of another Furniture Store and then walk into C. E. WILLIAMS & SONS Store and ask why the goods are not delivered on time they make a mistake. When a lady telephones to the store of C. E. Williams & Son to come and take back a piano that was sent to her by another furniture man she makes a mistake.

It is a Mistake to think that C. E. WILLIAMS has left the country without a return ticket.

It was a Mistake to try to stop him from going.

It is a Mistake to imagine that he will not return with a stock of goods, with prices that will make the public happy and paralyze some folks.

It is a Mistake if Clark's school of embalming from which Mr. ED. A. WILLIAMS graduated last year is not the best on Earth.

It is a Mistake if you think we do not covet all the trade in town; we do! We would like the Earth and Necker Island thrown in.

It is a Mistake if you think (all insinuations to the contrary) that we do not still remain, Yours as ever,
